Certificate

This is to certify that Mr. **Ngima Nuru Sherpa** of Lukla, Solukhumbu Nepal has been associated with my company as **Trekking Business Partner** from Nepal since 2004 till date.

His service included organizing Trekking, Climbing, Mountaineering and City Sight seeing. He has handling all our business in Nepal very professionally and responsibly. He believes the safety of clients as his prime concern. I am happy that all our European clients who have visited Nepal have felt very safe and satisfied by Mr. Sherpa's service, attention and hospitality.

We have had a wonderful working relationship together and I am impressed by his honesty, diligence and professionalism. His experience and managing skills are the essence of our successful business for all these years.

I am more than happy to recommend Mr. Sherpa to anyone in Travel Business seeking service in Nepal.

Many Thanks

Sincerely Yours
